

Trade Account Application

The information you provide in this form will be used by Ford Motor Company Limited ("Ford") to consider your request for and manage the business account. In order to process your application, we will supply your personal information to credit reference agencies (CRAs) and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity. We will also continue to exchange information about you with CRAs on an ongoing basis, including about your settled accounts and any debts not fully repaid on time. CRAs will share your information with other organisations. The identities of the CRAs, and the ways in which they use and share personal information, are explained in more detail at <http://www.experian.co.uk/crain/index.html>. For further information on how Ford uses personal data, international transfers of data and how to exercise your rights, please see the PartsPlus privacy policy published on www.PartsPlusUK.com.

Ford may also, for the purposes of extending account facilities or monitoring accounts, conduct further credit searches at a later date.
